Simplified Student Visa Framework (SSVF)

Curtin University participates in the simplified Student Visa Framework (SSVF), which has necessitated the University implementing a range of measures to ensure the genuineness of applicants who apply and to ensure that applicants who accept an offer at the University have the financial capacity to pay for their tuition fees, travel and ongoing expenses associated with living in Australia. The level of information required is dependent upon the country in which you are applying and the course level of your application. Before accepting your offer you will need to meet the Genuine Temporary Entrant condition if outlined on your Letter of Offer. Go to the immigration website for more information on [SSVF](#).

Refund Agreement

You need to read and understand the [International Student Refund Agreement](#) on your acceptance of offer.

Credit for Recognised Learning (CRL)

If CRL (advanced standing/exemption) is granted, the duration of the course will be reduced. The Confirmation of Enrolment (CoE) that you need for your student visa application is based on the course duration after CRL (included in the Offer Letter).

Overseas Student Health Cover (OSHC)

OSHC is compulsory for a student visa to be issued. The university can only accept OSHC payment on behalf of Bupa, our preferred provider.

Note: *New students using Bupa as their OSHC provider should register for myBupa at mybupa.com.au or download the mubupa app upon arrival in Perth. You will be able to order your OSHC membership card through myBupa.*

Once the complaint is processed you will receive a formal notification of the outcome which will include information on any relevant appeals processes.
